SISTER ACT

Welcome! Sister Act is the feel-good musical comedy based on the hit 1992 film that has audiences jumping to their feet!

When disco diva, Deloris Van Cartier, witnesses a murder, she is put in protective custody in the one place the cops are sure she won't be a found: a convent! Disguised as a nun, she finds herself at odds with both the rigid lifestyle and uptight Mother Superior. Using her unique disco moves and singing talent to inspire the choir, Deloris breathes new life into the church and community but, in doing so, blows her cover. Soon, the gang is giving chase, only to find them up against Deloris and the power of her newly found sisterhood. Will she escape?
